The Power of Recognition

How to Increase Employee Productivity, Motivation and Self-Esteem

"Doing a good job around here is like wetting your pants in a dark suit. It gives you a warm feeling, but nobody notices."

- Charlie Brown

We each have the power to influence our own and others' productivity, motivation, and self-esteem. So often we don't have time or take time. We don't know how. We don't feel nourished enough personally to begin to think about how to provide meaningful rewards or recognition to our colleagues.

In this energizing and playful session, you will learn:

- Tons of no-cost, lo-cost, public, private and ongoing ways to invigorate your team
- I See You: Forms of Recognition
- Principles and guidelines for powerful recognition
- Giving Begets Giving: How and why kindness counts
- The power of upward recognition
- Ways to praise
